The outreach team participates in weekly outreach activities and each time a vehicle has to be loaded and unloaded by staff. SRJC needs to have a professional looking outreach van that can transport both staff and cargo for outreach events. This van would be used at all A&R and some Student Services outreach events and activities. Additionally, the van will have professional decal that will both advertise the college and the college's website. 1		Dist. This would allow us to purchase more items at once, possibly at a lesser price per item.	C3, G2
1		Prof. Develop	All	8	4, 6	\$3,000.00	NF	Since the retirement of the PC trainer position, the needs assessment survey indicates a high demand for technology training has gone unmet. This amount would fund an STNC to provide trainings during the year.	C1, G2
2		Prof. Develop	All	6, 8	7	\$2,000.00	NF	New employee orientations have expanded for both staff and faculty, and the volume of new hires has increased. These additional funds are needed to cover the costs of refreshments for these new sessions.	C2, C3
2		Prof. Develop	AII	2, 8	4, 7	\$10,000.00	NF	Currently the Faculty Development Coordinators position is a total 40% reassignment, and provides coverage for two campuses (.20 FTE Santa Rosa Campus, .20 FTE Petaluma Campus). There is also a New Faculty Development position that comprises 10% reassignment. This is a total reassignment level of 50%. Ideally an additional 30% reassignment time is needed to return this coverage to pre-recession levels and to meet the demands of the significant increases in hiring of new faculty that has ocurred since the reassignment time was cut. This increase will help maintain current meeting and workload levels and to pro-actively address onboarding, orienting, training and development time necessary to meet the growing demands of a high volume of new faculty and those in the tenure process. We currently have 1/3 of our new faculty with less than 4 years of tenure. This year we are already looking at a 2015-16 Year One class of 48 new faculty.	C2, G1

Prioritization Criteria and Guiding Principles

Given the current financial environment, the following criteria and guiding principles have been developed for the 2014/15 PRPP cycle and were utilized by the President's Cabinet in the prioritization of PRPP requests.

Criteria:

- C1-Critical to maintaining standards of educational and student services at district primary sites (Santa Rosa, Petaluma, Southwest Center, Public Safety Training Center).
- C2-Necessary to meet legal and funding mandates.
- C3-Urgency in meeting core department functions that are essential to accomplish SRJC district and unit mission (access, retention, success, completion).
- C4-Availability of other funding resources, i.e., grant or categorical.

Guiding Principles:

- **G1**-Aligned with district academic and Strategic Plan priorities.
- G2-Achieves quality performance outcomes while assuring staff work in a safe environment with an equitable workload.
