| | \$0.00 | The Santa Rosa Puente Program started a peer mentoring program in Fall 2012, and will continue in 2014-2015. As the program grows, a dedicated Puente space is needed on campus to provide students with training, and a meeting and study space in order to successfully facilitate the peer-mentoring component. Review | |
| | \$0.00 | A dedicated Puente space with computers is needed on campus to provide students with a meeting and study space in order to successfully facilitate an effective learning environment. Currently, Puente shares a space with ESL and Gateway to College. This lounge is too small, and does not have any computers or other educational tools/equipment for students to access. Lastly, the lounge is far from where the current Puente classes are taught on campus, so students are less likely to access and utilize the lounge on a regular basis. Review | |
