RE: FACULTY STAFFING

At this time, the Superintendent/President has approved the following five (5) positions (in alphabetical order below) for immediate advertising and recruitment. These 5 positions are in addition to the eight (8) full-time faculty positions previously released for recruitment in September, 2016, due to unsuccessful recruitment, incomplete tenure, and/or district need. This brings the total number of full-time tenure track faculty recruitments in Academic Year 2016-17 to thirteen (13).

As always, the final hiring of these positions are dependent upon adequate funding and Board of Trustees approval. I sincerely thank the Faculty Staffing Committee for considering the needs of the departments and the needs of the organization as a whole.

Look for a follow-up email from Sarah Hopkins in Human Resources on opening these recruitments.
