

# **Santa Rosa Junior College**

## **Program Resource Planning Process**

### ***Art 2021***

#### **1.1a Mission**

The mission of the Art Department is to provide a foundation of introductory and intermediate level courses in art history and studio art to enable students to pursue their educational and artistic goals. Our primary intention is to create an environment in which critical thinking, problem solving, creative expression and the development of visual literacy can thrive.

Most courses in the Art Department fulfill requirements for General Education, the Associate's Degree, majors, career certificates, or preparation for transfer to a four-year college or university. The Art Department encourages students to explore a range of disciplines from the various areas of the department: art history, ceramics, design, drawing, painting, photography, printmaking and sculpture.

#### **1.1b Mission Alignment**

Our program is core to the District mission and initiatives by:

- Offering over 40 academic Art Studio and Art History courses to 4,609 students in 2017-18 (655 FTES in a year). The student headcount for all locations was 2147 for Fall 2017, 1603 for Spring 2018, 590 for Summer 2018 and 1990 for Fall 2018. Overall, the Santa Rosa campus numbers have declined from 2268 in Fall 2016 to 1879 in Fall 2017 and the Petaluma campus is also showing a downward trend from 252 students in Fall 2016 to 220 students in Fall of 2017.
- The Art Department generated 726.9 FTEF credit hours in 2017/18 which translated into a revenue of \$3,272,671 and after expenses of \$1,784,825 provided a net revenue of \$1,487,846 or a ratio of 1.83.

- Helping students meet educational needs such as GE, AA degrees, majors, and transfer. Specific lower division courses which fulfill General Education requirements and support transfer to four-year institutions are: Art 1.1, 1.2, 2.1, 2.2, 2.3, 3, 4, and 7A. Other essential courses that are transferable to both the UC and CSU include: Art 7B, 12, 13, 14ABC, 19, 21, 22, 23, 24, 27AB, 28ABC, 31ABCD, 33ABC, and 34AB. Specific art courses are also part of the Humanities and Fine Arts Major. Art 59, 62, 75, and 82 fulfill transfer requirements to the CSU system.
- Serving students in vocational education to support economic development and job growth. Essential courses include Art 27A - Silkscreen and Art 53 - Exhibition Design. Additionally, Art history and core studio art courses are either required or listed as electives for majors and certificates in the following academic and vocational areas: Graphic Design, Digital Media, Interior Design, Environmental Horticulture – Garden Design, Fashion Apparel - Design and Production, Floristry, and Theatre Arts – Costuming and Makeup
- Serving students in the basic skills of Math and English. Students practice arithmetic skills (measurement, ratios and percentages) in the study of perspective in Art 7A, Art 7B, Photography and in Figure Drawing. Students write analytical essays in Art History courses.
- Promoting student and academic support services to improve student success and retention. Most art instructors meet individually with every student to review the student portfolio at mid-term grading to ensure student retention and success.
- Maintaining transfer agreements with UC/CSU systems.
- Establishing Transfer Model Curriculum for both Art Studio and Art History
- Developing Petaluma campus programs.
- Contributing to the cultural life of the community by presenting 3 major exhibitions in the Art Gallery, providing online access to exhibitions, a series of guest speakers in conjunction with the Arts and Lectures Committee, and increased campus-wide student participation in the arts.
- Providing a richer art experience for students in the SRJC Gallery
- Promoting awareness of and maintaining sensitivity to ethnic, cultural and gender diversity within faculty, staff, students, and course offerings.

## 1.1c Description

The Art Department serves the District by:

- Serving 4,340 students between Fall 2017 and Summer 2018: 3,852 students on the Santa Rosa campus and 440 students on the Petaluma campus.
- Developing SLO assessments.

The Art Department provides students with:

- Over 40 courses.

- UC/CSU transferable courses.
- 3 majors: Art (AA), Studio Arts for Transfer (AA-T), and Art History for Transfer (AA-T).
- Skills for vocational areas (Photography, Digital Imaging, Gallery Management, Ceramics, Art and Design.)
- A visiting artist workshop each semester in Ceramics.
- 20 Art Department scholarship awards.
- At least 4 Art Gallery exhibitions presented to the District, students, faculty, staff and the community.

## **1.1d Hours of Office Operation and Service by Location**

### Santa Rosa:

- 8:00 AM - 4:00 PM, Monday-Thursday; 8am-2pm Friday, department office
- Early morning (i.e. 7:30 am), evening and weekend classes offered as well
- 8 full-time and 35 adjunct faculty members
- 1 full-time administrative assistant
- 5 permanent lab assistants - 19 to 30 hours/week
- 3 part-time students (1-office, 1-Sculpture lab, 1-Ceramics)
- 15-20 STNCs - Figure Drawing models

### Petaluma:

- 9:00 AM - 10:00 PM, Monday - Friday, general office
- Evening classes offered as well
- One full-time faculty member based in Petaluma
- 15-20 STNCs - Figure Drawing models (managed by Santa Rosa staff)

### Online courses

- 5 courses per semester, 9 courses in summer (art history), offered by 1 full-time faculty member and 5 adjuncts.

## **1.2 Program/Unit Context and Environmental Scan**

- The Art Department has completed work on the Transfer Model Curriculum for both Studio and Art History. The TMCs have been approved by the State

Chancellor's Office . This enables students who complete the TMCs at SRJC to receive priority when applying to the CSU system.

- An Arts Foundation has been established to focus on collaboration and fund-raising for the fine arts, music and theater departments, creating links to the community and other external resources.
- The Art Gallery hosts a variety of cutting edge exhibits which are open to the public.
- The Photography certificate was recommended for voluntary discontinuance. In its place is the new CE Applied Photography certificate. There was no photography area coordinator for 18-19 but an advisory council was formed by the dean and one meeting was held during the year. A successful SWF grant was written and approved and adjunct faculty member Jessica Layton was appointed as the coordinator for 19-20.
- The Art Department is committed to serving our diverse community while providing excellent academic offerings.
- The Art Department faculty is ready to respond to the technological changes taking place in the artworld by incorporating digital technologies into the curriculum and offering more online classes.
- Most of the students are taking art classes to satisfy general education, transfer requirements.

## **2.1a Budget Needs**

- Budget cuts to the Art Department have been very harmful to student success. Anchor faculty positions remain vacant in both Sculpture and Photography. The latter supports two CE certificates in Art Photography and a new certificate in Applied Photography. We will also need to replace an Art History and at least one painting and drawing instructor due to retirements.
- Several years ago the Art Gallery Director position had its release time lowered from 20% to 10%. One year ago STNC funding used to support the Art Gallery Exhibition Specialist position was eliminated. This will lead to fewer exhibitions overall and fewer hours when exhibitions are open to the public. The Art Gallery needs permanent additional funds for this position for work in the gallery, hanging exhibitions, handling and shipping art works, postage for mailing announcements, money to print brochures, and funding for basic supplies (paint, pedestals, labels, etc.).
- The 18-19 budget crisis resulted in several cuts to the Art Departments' operating budget: The current operating budget for the Gallery is \$4,002.
- The discretionary budget for FY18 was cut 5.67%, and the additional cuts totaling 38.05% were cut from FY19. This is was partially mitigated by reducing our Art AA III replacement to 217 days. The department will offer fewer life drawing courses to reduce the need for Art Models.
- Despite the decrease in the supply budget, the Art Department effectively manages the reduced budget without overdrafts. However, the budget for equipment repair needs additional funding. The Art Department has many

kinds of equipment and tools that need to be maintained for safe usage in Ceramics, Sculpture, Printmaking and in the Photography area.

## 2.1b Budget Requests

Rank	Location	SP	M	Amount	Brief Rationale
0001	Santa Rosa	02	01	\$8,000.00	GALLERY FUNDING:The additional funding contributes to maintaining higher quality exhibitions and cultural services for the community in an exhibition space that is almost double the size of the former gallery. The current budget is \$4,002
0002	ALL	01	01	\$8,000.00	EQUIPMENT MAINT. & REPAIR:Necessary to maintain equipment/tools so they are safe and functional. The Art Department has many kinds of equipment and tools that must be maintained for safety and proper performance. The program areas using this budget primarily are: Photography, Sculpture, Printmaking and Ceramics. In these areas, repairing/maintaining equipment is necessary for cost-effective operations. This amount is in addition to current funding.
0003	Santa Rosa	01	01	\$1,600.00	Budget request for annual rental of Oxy-Acetylene tanks for sculpture, metal work, welding, cutting, and heat treating.

## 2.2a Current Classified Positions

Position	Hr/Wk	Mo/Yr	Job Duties
Administrative Assistant III	40.00	10.00	Administrative Assistant for the Art Department. Assists Department Chair, 42 faculty members and 5 classified employees. Supervises 5 student workers. Manages approximately 40 budgets for the various disciplines within the department. Inputs and tracks +/- 120 purchase requisitions per year. Monitors enrollment for 4391 lab fee allotments. Tracks attendance and payroll changes of all staff. Schedules 17 art models in studio classes on two campuses. Supervises 2 student employees for locker clean-out/distribution of 450 lockers during a three-week period each semester. Coordinates class scheduling process and faculty evaluations each semester. Inputs curriculum changes. Coordinates routine facility maintenance issues. Prepares agendas and minutes for all departmental and Art Gallery operational meetings.
Photography Lab Technician	30.00	11.00	Organizes and maintains the photo lab according to health and safety standards and keeps chemical inventories. Maintains camera and studio equipment in working order. Assists slide library assistant with scanning and photographing of teaching materials. Mixes chemistry and safely disposes of exhausted or outdated chemistry in accordance with legal regulations. Assists faculty with equipment and studio set-up. Completes "dummy purchase orders" for AAIH's purchase requisitions. Assists students when needed. Performs additional lab clean-up during winter and spring break. Due to summer class cancellations, 180 hours have been re-assigned to the Theater Arts Department.
Ceramics Lab Technician	19.00	10.00	Organizes ceramics lab: maintains inventories of ceramics lab, chemicals and equipment. Manages approximately 7 tons of clay and fires 3,000 pieces of students' work during the semester. Mixes and maintains 20-30 different glazes available for students. When needed, assists students loading and unloading kiln, recycles clay, and assists with a major studio clean-up at the end of every semester.
Visual Resources Technician	19.00	10.00	no replacement of retirement.
Printmaking Lab Technician	19.00	10.00	Organizes printmaking lab: maintains printing studio and equipment for etching and silkscreen courses. Assists students. Completes "dummy purchase orders" for AAIH's purchase requisitions. Performs lab clean-up during semester breaks 2 times per year.
Sculpture Lab Technician	19.00	10.00	Oversees safety of Sculpture and 3D lab, including: monitoring checking out of tools, providing safety instructions on each tool to students, managing storage of tools in classroom and lab, monitor activities in Sculpture patio, cleaning of classroom daily, attending safety workshops as needed, maintaining and improving all facility matters

## 2.2b Current Management/Confidential Positions

Position	Hr/Wk	Mo/Yr	Job Duties
Department Chair	19.60	12.00	Supervises and plans departmental activities. Schedules and staffs classes on multiple campuses. Oversees budget operations. Evaluates personnel. Supervises AAIIL. Works with departmental and campus committees. Reviews curriculum. Acts as liaison with administrators. Creates/reviews the PRPP. Plans and organizes departmental meetings. Oversees all repairs and upgrades to the facility. Responsible for safety issues of facility.

## 2.2c Current STNC/Student Worker Positions

Position	Hr/Wk	Mo/Yr	Job Duties
STNC models for Life Drawing	25.00	12.00	Models have been added to pool
Student assistant: art office	20.00	12.00	Assist Chair, instructors, AAIIL and students in the department's office. Distribute mail. Type and file non-secure documents. Make photocopies. Update sign-up sheets. Organize and clean prop rooms. Post flyers on bulletin boards. Assist with locker clean-up and distribution.
Student assistant, ceramics lab	6.00	10.00	General clean-up, recycles materials, assists instructor as needed
Student worker: Sculpture area	8.00	10.00	Assists with organization and student assistance for sculpture and 3-D design classes.
Student assistants for locker signups and cleanout	20.00	1.00	Concentrated task-based work around issuing lockers and cleaning them out and the beginning and end of each semester.

## 2.2d Adequacy and Effectiveness of Staffing

- From the Fiscal Year 17-18 Program Unit Review: The Art Department has an FTEF of 22.3791, which represents a decrease of 5.89% from Fiscal Year 16-17 and 3.08% of the district total.

### **The Art Gallery Exhibition Specialist, Santa Rosa (position needed)**

The Art Gallery Exhibition Specialist position is for 169.5 hours for four gallery shows over the course of one fiscal year. The Exhibition Specialist manages the gallery budget, installs exhibition, constructs the necessary furniture for exhibitions, and oversees insurance and handling and shipping the art work.

- The Art Gallery Specialist assists in the organizing of Art Gallery exhibits and coordinates the installation of exhibitions and maintenance of the District's continually changing art gallery shows. The Art Gallery Specialist designs, builds, and maintains special exhibit display systems and case goods; designs and maintains art gallery shop space and equipment; hires and trains student employees to handle valuable, delicate, and/or very heavy artwork; coordinates tours and lectures for various groups; and trains students and guest curators on the use of state-of-the-art gallery technology.
- KEY DUTIES AND RESPONSIBILITIES are interpreted as being descriptive and non-restrictive in nature. These duties include:
  - The installation and display of related artwork and sculptures; hangs and assembles paintings and other artwork; monitors exhibits checklist; produces labels; designs and constructs museum quality display systems, cabinetry and case goods as needed for exhibitions; designs, maintains, modifies and assembles special exhibition lighting systems; arranges and secures display cases and stands for artifacts and sculptures. Acts as a liaison with curators, artists, and vendors to acquire museum or gallery collections; ensures return of museum or gallery collections; drives district vehicles and rental trucks to procure works of art for exhibitions from throughout the state of California. Accepts delivery of collections to museum or gallery; prepares paperwork and photographs necessary for appraisal and insurance purposes. Schedules events, tours, viewings and lectures for classes and special guests to museum or gallery, gallery premises and collections; observes procedures to protect collections from damage, theft, or accidents; secures insurance for high value artworks and maintains records of museum or gallery attendance. Under the supervision of the Gallery Director, monitors and maintains museum or gallery budget within established guidelines; prepares, processes, and approves purchase and supply orders and service requests; maintains accurate catalog and inventory of collections, equipment and supplies. Contributes to the implementation of graphic design and layout of publications, posters, brochures or website promoting gallery exhibits and special events, and trains student assistants in the Art Gallery's best practices.
  - Works with gallery committees, art department faculty, deans, and community members to develop effective exhibition schedules.
  - Works with Media Services to maintain gallery media equipment, print large format graphics, and to digitally record lectures.
  - Supervises student assistants and short-term, non-continuing employees.
  - Currently the position is being reconfigured, and funding sources are being negotiated. The current Gallery Director reassign time is insufficient to effectively make up for the STNC staff that has been eliminated.
  - Increased reassigned time of Gallery Director is needed. The Gallery Director works with individual curators and organizes four exhibitions per year.

**Ceramics Lab Technician, Santa Rosa (more hours needed: from 19 hours per week to 25 hours per week)**

The Art Department has a full-time Ceramics instructor, and an assistant who has been held at 19 hours a week for twenty years despite increased work load beyond the initial schedule. The heavy use of the kiln and the ceramics facilities requires consistent routine organization and repair from someone who is trained to use the facilities. The Classified staff supervises the facilities and students which are spread out in 4 main areas, while the Instructor is occupied in any of the adjoining classrooms.

The ceramics program cannot grow although it has potential students to fill two new classes, due to the fact that the classified staff member cannot fit the added time to run the kiln into 19 hours a week. This should be a permanent staff position at 25 hours per week minimum.

**Printmaking Lab Technician, Santa Rosa (more hours needed for growth: from 19 hours per week to 25 hours per week)**

More hours have been requested to allow for further support and growth in printmaking.

**Sculpture Lab Technician, Santa Rosa (more hours needed for growth: from 19 hours per week to 25 hours per week)**

More hours have been requested to allow for further support and growth in sculpture. Furthermore, there are safety concerns in the sculpture lab that could be addressed and alleviated with increased hours.

## 2.2e Classified, STNC, Management Staffing Requests

Rank	Location	SP	M	Current Title	Proposed Title	Type
0001	Santa Rosa	01	01	Gallery Exhibits Specialist - STNC job share	Gallery Exhibit Specialist - permanent position	Classified
0001	Santa Rosa	01	01	Ceramics Lab Technician - 19 hours	Ceramics Lab Technician - 25 hours	Classified
0001	Santa Rosa	01	01	Sculpture Lab Technician - 19 hours	Sculpture Lab Technician - 25 hours	Classified
0001	Santa Rosa	01	01	Printmaking Lab Technician - 19 hours	Printmaking Lab Technician - 25 hours	Classified
0002	Santa Rosa	03	05	Instructional Aid II as Gallery Receptionists	Art Gallery Receptionist	STNC

## 2.3a Current Contract Faculty Positions

Position	Description
Art History Instructors: 2	Anchor for Art History major.
Photography Instructor: 0	Anchor for Photography area currently vacant
Ceramics Instructor: 1	Anchor for Ceramics area.
Art Foundation Instructor: 1	Anchor for 2D Design and Color area
Printmaking Instructor: 1	Anchor for Printmaking. This faculty member will also act as Art Gallery Director effective Fall 18 at 10% release time.
Anchor Painting and Drawing Instructors: 1 SR 1 PT	Anchor Painting and Drawing : 1 ( two instructors retired 2019, 2020), Santa Rosa. Anchor for Painting and Drawing: 1, Petaluma.
Sculpture Instructor: 0	Anchor for Sculpture area currently vacant.

## **2.3b Full-Time and Part-Time Ratios**

Discipline	FTEF Reg	% Reg Load	FTEF Adj	% Adj Load	Description
Art	6.9900	36.0000	12.2700	64.0000	
Art	9.3000	37.0000	15.5000	62.0000	Beginning in 2006, the Art Department FTEF regular load decreased due to faculty retirements. In 2008, another full-time faculty member retired. The Department does not have replacement positions for either. As of 2008, FTEF regular load decreased 4-5 %. (The ratio is about 30 :70). The Art Department has considerably fewer full-time faculty than is typical in the District.. The ratio is not fully descriptive of the art department needs however. There is one major discipline area that requires unique skill sets and have no anchor faculty, Sculpture. The department fills in with adjuncts as best as possible, but adjuncts are not creating new curriculum, supervising facilities, advising students or doing evaluations. The need for additional full time faculty is acute..
Art 2008	6.8800	27.0000	18.2900	72.0000	
Art 2009	8.4100	36.0000	13.9700	60.0000	
Art 2011	7.8600	36.0000	20.0100	64.0000	A full time faculty at Petaluma retired February 2011. The data reflects this faculty retirement. A replacement faculty has been hired (digital art/printmaking) for the retiring printmaking faculty. A new drawing/painting faculty has been hired for the Petaluma campus.
Art 2011	7.8600	35.0000	20.0100	65.0000	A full time faculty at Petaluma retired February 2011. The data reflects this faculty retirement.
Art 2012	7.6700	40.0000	10.8800	60.0000	Of the 79 classes offered in the Art Department in Spring 2013, 32 are being taught by regular faculty, 47 by adjuncts.
Art 2013	7.1400	34.0000	12.2900	66.0000	Of the 61 courses being taught in Santa Rosa, 23 are taught by regular faculty and 38 courses taught by adjunct faculty. This places a heavy burden on FT faculty in trying to assess SLOs for classes they are not even teaching.
Art 2013	7.1400	34.0000	12.2900	66.0000	Of the 61 courses being taught in Santa Rosa, 23 are taught by regular faculty and 38 courses taught by adjunct faculty. This places a heavy burden on FT faculty in trying to assess SLOs for classes they are not even teaching.
Art 2015	6.9900	36.0000	12.2700	64.0000	Full time to part time changes. Two replacement positions were made. One, Painting and Drawing in Petaluma, are placement for 2011 faculty retirement. One replacement position for Printmaking was made  On full time instructor, Hiroshi Fuchigami, was on sabbatical Spring 2015.

Discipline	FTEF Reg	% Reg Load	FTEF Adj	% Adj Load	Description
Art 2016	8.7400	48.0000	9.4900	52.0000	No replacement for anchor area in sculpture.
Art 2017/2018	9.0000	42.5800	12.1300	57.4200	No replacement for full-time retirements in sculpture, photography, or art history.
Art 2018/19	7.9300	39.9900	11.9000	60.0100	No replacement of threefull-time retirements in painting/drawing and photography.
Art 2019/20	0.0000	0.0000	0.0000	0.0000	Vacant Art History postion filled, photography position was denied.
Art 2020/21	0.0000	0.0000	0.0000	0.0000	One of two painting/drawing positions was replaced, photography position was denied

## 2.3c Faculty Within Retirement Range

Of our 8 regular faculty members:

1 Photography instructor retired in 2018

1 Art history instructor retired in May 2019 and was replaced by Robin Kim

1 painting/ drawing instructor retired in 2019 and another in 2020. Petaluma painting and drawing faculty Claudia McCain transferred to Santa Rosa to fill one of the Santa Rosa vacancies. The search for the Petaluma position is currently underway.

1 foundations faculty has expressed interest in retiring within the next 2-3 years

## 2.3d Analysis of Faculty Staffing Needs and Rationale to Support Requests

CLASSIFIED:

GALLERY EXHIBIT SPECIALIST POSITION was eliminated in 2006 due to budget cuts. The importance of the Robert F. Agrella Gallery to the community as well as the student body is incalculable, and we seek to reinstate this position. When open for an exhibit, the Gallery has a constant flow of visitors that include students, faculty, staff, and members of the community. We seek to increase the time-base for the four instructional lab aides from 19 to 25 hours to increase student success.

FACULTY

### 1. **One Painting and Drawing Faculty, Santa Rosa**

The Art Department seeks a replacement for the painting and drawing faculty on the Santa Rosa campus due to the retirement of two full-time painting/drawing instructors. In the Art Department, four full-time faculty members have retired since the spring 2019, and only one fulltime art history faculty and one painting/drawing faculty have been replaced. By 2020 fall, the Art Department had lost 3 full-time faculty members. That is approximately 30 % of the full-time faculty of Art Department. The two full-time painting/drawing instructors each teach a 100% load including the following courses: Art 7 A drawing /composition I, Art 7B drawing/composition II; 12 Beginning figure drawing; Art 112 A Intermediate figure drawing; Art 112 B Advanced figure drawing; Art 14 A Beginning painting; Art 14 B Intermediate painting; Art 14 C Advanced painting. The 14 sections of these are taught by fulltime faculty. And the painting/drawing area is the major area in the art studio

courses. The total of painting drawing sections are 30. It is 47 % sections of art studio courses. The enrollment of all painting/ drawing classes always is close to 100%. Painting / Drawing course is the major transferable courses for UC and CSU. The drawing 7A is a core requirement of Art degree, Art history degree, and Art studio degree. Also it is a core requirement of Digital Media: 3D Modeling and Animation Certificate, and it is an elective course of Interior Design Certificate. To summarize, the reasons the Art Department needs a second full-time faculty in drawing/painting area are:

- Two full-time painting/drawing faculty retired in spring 2020.
- Art department lost total 3 full-time faculty.
- Painting/drawing is major course for art department and for transfer students. 47% sections of art studio courses are painting/drawing.
- Painting/drawing is a core course of three Art majors, Digital Media: 3D Modeling and Animation Certificate and Interior Design Certificate. Art 7A is GE for CSU General Education Breadth Requirements and Associate Degree Option B – 2019-2020 and Associate Degree Graduation Requirements and General Education Option A – 2019-2020
- Even during the pandemic, all painting drawing classes had strong enrolment. And it will contribute to increase student enrollment in college wide if art department would add more sections.

### **1. Photography Anchor Faculty, Santa Rosa**

The Art Department seeks a replacement for the Photography anchor faculty on the Santa Rosa campus due to the retirement of the full-time photography instructor. This instructor would teach 100% load including the following courses: Art 19: Introductory Photography, Art 21: Intermediate Photography; Art 22: Advanced Photography, Art 23: Contemporary practice color Photography; Art 60 Studio and Professional Photography, Art 82: Beginning Digital Photography; and Art 83: Intermediate Digital Photography. The Photography anchor faculty will manage a facility with several darkrooms, an inventory of cameras, a large-format digital printer, and studio lighting equipment. In addition, the photo anchor will oversee the Digital Arts Lab and supervise the photo lab technician.

We have a consistent number of students working towards a Photography transfer and/or the Applied Photography certificate. We will become more involved with the Digital Media Design program for transfer and certificate. This requires more course offerings and a full-time faculty member assigned specifically to take on the expectations for new curriculum and new equipment in the digital photography media.

We value the opportunity of working together with other programs and departments. Some of the obvious are Journalism, Media Studies, Applied Technology, and especially the interdisciplinary, multi-campus Digital Media program.

These goals of interdepartmental collaboration, program planning expansion, and long-term curricular, as well as supervision of the equipment and software, are only possible with a commitment of resources and will require that these duties be in the hands of a full-time anchor faculty. This would allow us to develop more current and up-to-date curricula, some of which will be able to use the first-class studio facility in the Santa Rosa Campus Doyle Library.

### **3. 3D Digital Design /Sculpture Faculty, Santa Rosa**

Since the FT faculty member of this area retired, two adjunct instructors have been managing an entire discipline. Additionally, we have safety considerations in the shop area due to the type of equipment it houses, including: table saw, band saw, drill press, belt sander and circular sander. Hand tools include: blow torches, electric drills, a guillotine-style paper cutter and utility knives. Since there is no one in the discipline to oversee the facility, this places a burden on the rest of the faculty and exposes the entire department to increased liability. This instructor would be expected to teach the following courses: Art 5, Art 33 AB, and Art 75. Materials used in the Sculpture and 3D area include: wood, metal, fiberglass, latex molds, resin, bronzing dust, and other various casting materials. Life drawing models may be employed for sculpture projects. Metalsmithing may be added into the curriculum for 3D as well as Sculpture, depending upon future resources.

In response to shifts in technology, the leadership of art, engineering, computer science and business are teaming up to create a multidisciplinary 3D Digital Design program. This faculty position would be a lead instructor of this effort.

## 2.3e Faculty Staffing Requests

Rank	Location	SP	M	Discipline	SLO Assessment Rationale
0001	Santa Rosa	01	01	Photography Instructor	Photography and digital photography courses are popular with students and have a high student success rate. The intended revitalization of the Photography certificate will offer students greater opportunity to apply their skills in the marketplace.
0002	Santa Rosa	01	01	3D Digital Design/Sculpture Instructor	In response to technological changes to Computer Science, Engineering, Business and Art Department leadership will develop a multidisciplinary 3D Digital Design program incorporating 3D printing. This individual will have a strong background in technology, program development along with a deep understanding of traditional sculptural principles.
0003	Santa Rosa	01	01	Painting and drawing Instructor	The painting and drawing classes are essential to the foundation of our studio arts programs.
0004	Santa Rosa	01	01	Gallery Director: increase assigned time to 20%	Through exposure to various forms of art, our students develop a broader vision and become more globally aware. Without the gallery, many of our students will never have this experience. Student feedback has shown this to be a very popular program.

## **2.4b Rationale for Instructional and Non-Instructional Equipment, Technology, and Software**

- The current system of using multiple portable hard drives to store art history visual resources is inadequate. Our current storage devices are overloaded and beginning to fail. The Art Department needs a database software to organize the visual resources as well as increased server space to store them.

## 2.4c Instructional Equipment Requests

Rank	Location	SP	M	Item Description	Qty	Cost Each	Total Cost	Requestor	Room/Space	Contact
0001	Santa Rosa	04	07	Demo video camera	7	\$500.00	\$3,500.00	Hiroshi Fuchigami	714,718.740,750,790,780,760	Hiroshi Fuchigami
0002	Santa Rosa	06	07	Dust collecting system	1	\$40,000.00	\$40,000.00	Michael McGinnis	760	Hiroshi Fuchiagmi
0003	Santa Rosa	04	07	silica dust collection system room 718	3	\$4,000.00	\$12,000.00	Hiroshi Fuchigami	718	Hiroshi Fuchigami

## 2.4d Non-Instructional Equipment and Technology Requests

Rank	Location	SP	M	Item Description	Qty	Cost Each	Total Cost	Requestor	Room/Space	Contact
0001	Santa Rosa	04	06	Replacement computers for Adjunct faculty	2	\$1,000.00	\$2,000.00	Hirohi Fuchigami	Analy 710	Hiroshi Fuchigami

### 2.4f Instructional/Non-Instructional Software Requests

Rank	Location	SP	M	Item Description	Qty	Cost Each	Total Cost	Requestor	Room/Space	Contact
0001	Santa Rosa	04	01	circulation software/scann lending 3 software pac	1	\$1,000.00	\$1,000.00	Jessica Layton	794	Jessica Layton
0001	ALL	00	00	Padlet subscription for online teaching	15	\$96.00	\$1,440.00	Hiroshi Fuchigami	online	Hiroshi Fuchigami
0002	Santa Rosa	04	01	Canon P2100 printer warranty	1	\$700.00	\$700.00	Jessica Layton	794	Jessica Layton

## **2.5a Minor Facilities Requests**

Rank	Location	SP	M	Time Frame	Building	Room Number	Est. Cost	Description
0001	Santa Rosa	04	07	Urgent	Analy Hall	714	\$10,000.00	Fall semester create and environment incompatible with learning ( above 80 degree during september and October)
0002	Santa Rosa	06	07	Urgent	Analy Hall	760/769	\$40,000.00	Dust collection system for 3 wood-cutting bandsaw, table saw, miter saw, disk/belt sander, oscilating spindle ander, drill press, downdraft sanding table.
0003	Santa Rosa	04	07	Urgent	Analy Hall	718	\$12,000.00	silica dust collection filter system need to install for safty .
0004	ALL	00	00	Urgent	Analy	714, 750, 740, 790, ceramics studio	\$0.00	Drainage and sink stoppage issues.
0005	Santa Rosa	04	06	Urgent	Analy Hall	750A	\$0.00	Door from hallway by entrance into the back part of room 750. At present this room can only be accessed from inside the classroom, which prevents anyone entering while a class is in session. This room could become another teaching space with adequate access. Dean confirmed with Architect that this is feasible and could provide a 25 seat computer lab.
0006	Santa Rosa	04	07	Urgent	Analy Hall	760	\$2,200.00	Waterproof exterior storage for plaster. Must include condensation prevention, such as insulation.
0007	Santa Rosa	04	07	Urgent	Analy Hall	718	\$0.00	REPAIR/REMODEL CERAMICS STUDIO FLOOR: Floor is sinking around the drain in the ceramics studio. Facilities advised this is not fixable without remodeling the entire floor. Request is 1) Change drain pipe and set up underground clay drain septic system. 2) replace floor with concrete so it can be washed with water; 3) lower ceiling so that electrical outlets can be installed from above; 4) Quieter heating system. FUTURE BOND REQUEST
0007	Santa Rosa	04	01	Urgent	Analy Hall	760	\$3,600.00	Retractable motorized sunshades mapping the width of the sculpture yard. Heat and rain make the space difficult/impossible to work in without weather protection.
0008	Santa Rosa	04	07	Urgent	Analy Hall	712	\$500.00	Black-out window covering for the west-facing window above the sink in the Painting prep room 712.

Rank	Location	SP	M	Time Frame	Building	Room Number	Est. Cost	Description
0008	Santa Rosa	04	07	Urgent	Analy Hall	The whole building	\$35,000.00	1. Full-spectrum "color balanced" LED lightbulbs for all of Analy Hall. Primary educational justification is the need to see, interpret, and work with color (these bulbs are the "industry standard" for artists). Other benefits are increased wakefulness for long studio classes, and of course safety. Paul also asked us to include language about lower "Total Cost of Ownership" with energy savings of an LED upgrade. I have the specs for the non-LED fluorescent version that Donna bought. I have sent the specs to Paul so that his team can find the appropriate equivalent for LEDs – which will be different. The key words are "full spectrum" and "color balanced." Donna's lights are 6500 lumens but I believe the lumen count will be different for LEDs.full spectrum lighting for the whole building
0009	Santa Rosa	04	07	Urgent	Analy Hall	The whole building	\$0.00	A/C for the whole building. The upstairs classrooms and 708 downstairs (Art History) are the only rooms with A/C currently. The rest have individual Heating/Ventilation systems that run very loud and heat doesn't reach the ground with high ceilings... so the effect is virtually no temperature control. FUTURE BOND REQUEST
0010	Santa Rosa	04	07	Urgent	Analy Hall	All restrooms	\$0.00	Remodel of all restrooms in the building. FUTURE BOND REQUEST

## **2.5b Analysis of Existing Facilities**

- Art Department has crumbling infrastructure. Heating and plumbing are repeatedly non-functional especially in 750 Analy.
- Sinks in 790 and 750 stop up repeatedly.
- A ceiling leak in 750 Analy creates large puddles of water which collect near floor electrical outlets after rains.
- The ceramics area is in need of enlarging and improving drains which now are time consuming to clean by facilities. The plumbing needs reengineering to be functional.
- The south facing wall in 740 Analy is surfaced by a 40 year old piece of crumbling deteriorating plastic like material. It is a room serving 30 students per class from 9am until 10pm most weekdays.
- A ceiling leak in 706 Analy is a regular problem that has caused structural damage and creates unsafe conditions (large, slippery puddles and visible mold in the offices). Faculty have been relocated for their health safety concerns.
- The Art Department's facilities are accessible to disabled students and staff as appropriate.
- The Art Department needs additional studio space and tables for art foundation and painting and drawing classes.
- Construction is required to install a door in the wall from 750A into hallway. This will allow the room to be used as a new dedicated computer lab

## **3.1 Develop Financial Resources**

Currently, the Art Department is seeking funding for the operation of the Agrella Art Gallery.

The Applied Photography CE Certificate program is now active. The department has written a successful SWF grant for \$41,000 to buy photography equipment.

## **3.2 Serve our Diverse Communities**

The Art Department uses a variety of job listing resources (website, local papers, artist community, national organizations) to advertise job announcements. We make sure to include diversity statements as part of all job applications and follow up in all interviews.

The department promotes sensitivity to diversity by reviewing instructional methods and course offerings to ensure relevancy to our student population in this global society.

By presenting enriching Art Gallery Exhibitions to our students, staff and community members, the Art Department contributes to the cultural life of our community.

### **3.3 Cultivate a Healthy Organization**

The Art Department encourages participation in and provides release time to classified staff and faculty for professional development, as requested. The Chair has notified staff of upcoming professional development activities for both faculty and classified staff as opportunities become available.

All staff are encouraged to attend workshops involving: meeting the needs of DRD students, safety, technological upgrades (for example, computer software programs), and health and well-being for the individual.

### **3.4 Safety and Emergency Preparedness**

Basic safety issues are discussed regularly at departmental meetings. Below, is the list of the safety leaders for Analy Hall:

<b>Building</b>	<b>Campus</b>	<b>Department</b>	<b>Safety Leaders</b>	<b>Title</b>	<b>Contact</b>
Analy Hall	Santa Rosa	Art	Hiroshi Fuchigami	Full-time Instructor	527-4397

### **3.5 Establish a Culture of Sustainability**

The Art Department recycles its office paper and art paper from classrooms on a weekly basis. The shredded office paper is used in our Ceramics area as fuel for one of its kilns.

We work with Health and Safety to recycle our mineral spirits (solvents) in the Painting lab.

Copy Center costs have been reduced dramatically by scanning, emailing, using File Depot and other digital processes. Many of our instructors are now operating paperless

classrooms. The Art Department has reduced its printing costs by 72% since 2008. This is the highest reduction in the ACBSS cluster.

Whenever possible, we use green materials in our studios. Toxic materials such as certain types of paint, solvents etc. are no longer used in the classrooms. Spray fixatives are more eco-friendly and are only used outside the buildings. The office crew has switched from using paper towels and Windex to using water, Simple Green and cloth towels for cleaning lockers 2x per year.

In 2017 we worked with the recycling coordinator to add larger and well-marked paper recycling bins to the art studio classrooms, to encourage more recycling of large-format papers.

#### 4.1a Course Student Learning Outcomes Assessment

Those courses which are offered in rotation will be assessed at the earliest opportunity. The Art Department makes every attempt to rotate courses so that students can complete their programs in a timely fashion.

Course	SLOs	Faculty	Semester Completed	Comments	Year of Next Assessment
Art 1.1	#1	Saleh	Spring 2018		Spring 2024

Art 62	#1	Pinaula	Fall 2015		Fall 2021

## 4.1b Program Student Learning Outcomes Assessment

The Art Department utilizes a "bottom up" approach to assess its program. Once all required Art courses have been assessed, the discipline/department will have a dialogue about how well the students are learning and achieving major outcomes. Faculty will identify areas for improvement and a plan for implementing those areas.

All certificates were reviewed in the 2012-13 year using college policy 3.6. The faculty of the Art Department voted to discontinue all but one of the certificates as very few were being granted. The photography certificate is still under consideration. Only the majors and TMCs for Art History and Studio Art will be assessed by the department.

### Art Studio Major Program Map

Major Outcomes	Major Outcome #1 Synthesize and apply visual principles in creating works of art	Major Outcome #2 Articulate perception and awareness of fine art and applied design concepts	Major Outcome #3 Develop a vocabulary to discuss art in aesthetic terms	Major Outcome #4 Demonstrate skills in visual analysis by identifying specific formal elements in works	Major Outcome #5 Demonstrate appropriate use of tools, materials and processes	Major Outcome #6 Achieve greater awareness of global and cultural traditions	Major Outcome #7 Create a portfolio of fine art and designs	Date of Course Assessment Completion

## 4.2b Narrative (Optional)

The Art Department has completed course assessments for all courses currently being offered. Those on rotation will be assessed the next time the course is offered. The Art History major and Art Studio major have both been assessed. The Photography certificate is still being revitalized and will be assessed at the earliest opportunity. A new intermediate level digital photography course is being developed.

## 5.0 Performance Measures

- Students from the Art Department have transferred to many universities that are distinguished in their art programs.

## **5.1 Effective Class Schedule: Course Offerings, Times, Locations, and Delivery Modes (annual)**

The Art Department offers courses on two campuses. In Santa Rosa, classes are scheduled five days a week during the day and at night. In Petaluma, classes are scheduled from Monday through Friday, day and night. The Department also offers online classes.

Currently, one art history course is being offered through the weekend college to serve those students who may be working and are unable to attend classes during the work week.

In selecting courses, the Art Department considers those in which enrollments are consistently high and which enable students to complete general education transfer and major requirements.

### **5.2a Enrollment Efficiency**

On the Santa Rosa campus, the Art Department's enrollment efficiency was: 106.8% in Spring 2017; 98.1% in Summer 2017; 92.7% in Fall 2017; 79.9% in Spring 2018; 110.5% in Summer 2018; and 83.6% in Fall 2018.

On the Petaluma campus, the Art Department's enrollment efficiency was: 77.8% in Spring 2017; , 84.0% in Summer 2017; 83.4% in Fall 2017; 69.6% in Spring 2018; 0% in Summer 2018; and 72.4% in Fall 2018.

Our online offerings such as Art 1.1, Art 1.2, Art 2.1, Art 2.2, and Art 2.3 (Art history courses) and Art 82 (Digital Photography) fill consistently.

To manage enrollments, we have cut courses with low enrollment and replaced them with courses that have high enrollment.

## **5.2b Average Class Size**

The average class size on the Santa Rosa campus is: 40.7 in Spring 2017; 39.8 in Summer 2017; 36.3 in Fall 2017; 28.1 in Spring 2018; 43.6 in Summer 2018.

The average class size on the Petaluma campus is: 26.0 in Spring 2017; 21.0 in Summer 2017; 24.3 in Fall 2017; 22.5 in Spring 2018; 0 in Summer 2018.

## **5.3 Instructional Productivity**

In Santa Rosa, the productivity decreased from 17.76 in Spring 2017 to 15.61 in Spring 2018.

In Petaluma, the productivity decreased from 14.92 in Spring 2017 to 12.13 in Spring 2018.

## **5.4 Curriculum Currency**

The Art Department has updated curriculum for all of its courses. All SLOs have been completed.

## **5.5 Successful Program Completion**

In 2017/2018, the following Art degrees were awarded:

- Studio Art: 26
- Art History: 1

- Art History (AA-T): 6

In order for students to complete in a timely fashion, courses placed on rotation are offered at least one time per year. For the few courses that are offered less frequently, we have allowed students to substitute other electives.

## 5.6 Student Success

### RETENTION:

- The retention rate in Santa Rosa was: 82.9% in Spring 2017; 86.0% in Summer 2017; 84.1% in Fall 2017; and 78.3% in Spring 2018.
- The retention rate in Petaluma was: 72.0% in Spring 2017; 100% in Summer 2017; 85.5% in Fall 2017; and 75.1% in Spring 2018.

### COURSE COMPLETION:

- Successful course completion in Santa Rosa was: 80.3% in Spring 2017; 84.5% in Summer 2017; 81.7% in Fall 2017; and 75.8% in Spring 2018.
- Successful course completion in Petaluma was: 69.7% in Spring 2017; 100% in Summer 2017; 82.7% in Fall 2017; and 72.6% in Spring 2018.
- Average GPA in all locations, as of Spring 2018 is 2.82. In Santa Rosa, average GPA was 2.83 In Petaluma, the average was 2.72.

## 5.7 Student Access

In Art Department, students are served by:

### 1. Ethnicity

In 2017-18, white ethnicity increased from 46.1% to 48.3%. There was a decrease from 34.4% to 32.5% for Hispanic students. Black students decreased from 2.1 to 1.7%. The rate for Asian students decreased from 6.0% to 5.6%. Native American students has decreased by 0.5% to 0.4%.

### 2. Gender (2017-2018)

38.1% of the students are male.

59.6% of the students are female.

2.3% of the students are of an unknown gender.

### 3. Age (2017-2018)

74.8% of the students are under age 25.

## **5.8 Curriculum Offered Within Reasonable Time Frame**

Despite cuts to our schedule of classes, the Art Department has been able to retain its core classes but has had to place some core and elective courses on rotation.

CERTIFICATE: PHOTOGRAPHY:

Lost classes: 1) Art 59 (Photojournalism) and Art 140 (Portfolio and Presentation)

In order to allow students to complete the certificate requirements, we have allowed substitution of alternate courses.

All classes required for the Art Department's AA degree are offered year-round (during both day and night).

## **5.9a Curriculum Responsiveness**

The Art Department program has responded to the increased enrollment of diverse students by offering cultural exhibitions with a global focus at the Art Gallery.

During these exhibitions, other departments have been involved in the lecture series, presentations and demonstrations. The Art Department offers interactive programs with other departments.

Art History and the core art studio classes cover the global culture aspect through a variety of projects that respond to the UC and CSU transfer matriculation and GE requirement.

## **5.9b Alignment with High Schools (Tech-Prep ONLY)**

The Art Quest high school Art program has been temporarily discontinued due to schedule reductions.

## **5.10 Alignment with Transfer Institutions (Transfer Majors ONLY)**

The Art Department aligns with over 50% of lower division required courses to transfer to the UC and CSU schools listed below:

- UC Riverside (Art Major)
- UC Santa Barbara (Art Major)
- UC Santa Cruz (Art Major)
- CSU Chico (Art, Art History Major)
- CSU Long Beach (Art, Art History)
- CSU Los Angeles (Art, Art History)
- CSU Sacramento (Art)
- CSU East Bay (Art)
- CSU Fresno (Art)
- CSU Fullerton (Art)
- CSU Monterey Bay (Visual & Public Art)
- CSU Northridge (Art)
- CSU San Bernardino (Art, Art History, Art Education, Art Specialization)
- CSU Bakersfield (Art)
- CSU Dominguez Hills (Art, Art History)
- San Francisco State University (Art, Art History)
- San Diego State University (Art)
- San Jose State University (Art, Art History)

Both Art studio and Art History have adopted the Transfer Model Curriculum.

## **5.11a Labor Market Demand (Occupational Programs ONLY)**

The Photography certificate is undergoing review to see if it can be revitalized in alignment with the CTE career certificates.

## **5.11b Academic Standards**

The Art Department program regularly engages in the dialog about academic standards.

## 6.1 Progress and Accomplishments Since Last Program/Unit Review

Rank	Location	SP	M	Goal	Objective	Time Frame	Progress to Date
0001	Santa Rosa	01	01	Reconfigure space usage of Analy Hall by discipline to provide each area with maximum storage, safety and efficiency.	Relocate equipment and supplies for easiest access by each discipline. Remove all unnecessary furniture, tools, and debris from each classroom, office and storage room. Coordinate with Facilities to provide updated info on space usage. Coordinate with Health & Safety for all related matters.	1 year	Student employee labor, assistance from Facilities and Custodial to move equipment, paint, and revitalize two faculty offices. Warehouse to provide storage for obsolete machinery. The new STNC lab assistant to provide support to maintain the Sculpture lab - a potentially highly hazardous space.

## **6.2b PRPP Editor Feedback - Optional**

The Art Department is comprised of outstanding professionals who continue to bring artistic and academic excellence to SRJC. It includes both studio and art history disciplines.

### **Staffing**

Faculty. The Art program has lost three full-time faculty members to retirement: two Painting/Drawing co-leads, a Photography lead, and a Sculpture area lead. The department was granted one replacement for the painting drawing area.

Applied Photography is a CE program with an adjunct coordinator.

The Art Department is still in need of an Art Gallery Specialist/Preparator.

### **Facilities**

Analy Hall is a very old building needing many major repairs. A leaking roof required that we abandon two offices due to mold and running water down one wall. The HVAC system is inadequate during warm weather and the lack of good air filtration in ceramics (silica dust) and sculpture (wood dust) are causes for concern.

- Kerry Loewen, Dean of Art & Humanities, July 2021

### 6.3a Annual Unit Plan

Rank	Location	SP	M	Goal	Objective	Time Frame	Resources Required
0001	Santa Rosa	01	01	Reconfigure space usage of Analy Hall by discipline to provide each area with maximum storage, safety and efficiency.	Relocate equipment and supplies for easiest access by each discipline. Remove all unnecessary furniture, tools, and debris from each classroom, office and storage room. Coordinate with Facilities to provide updated info on space usage. Coordinate with Health & Safety for all related matters.	1 year	Student employee labor, assistance from Facilities and Custodial to move equipment, paint, and revitalize two faculty offices. Warehouse to provide storage for obsolete machinery. The new STNC lab assistant to provide support to maintain the Sculpture lab - a potentially highly hazardous space.
