RE: FACULTY STAFFING

At this time, the Superintendent/President has approved the following seven (7) positions (in alphabetical order below) for immediate advertising and recruitment. These seven positions are in addition to the one (1) full-time faculty position previously released for recruitment this summer (Counselor – CTE), and include any positions being re-opened due to previous unsuccessful recruitment, incomplete tenure, and/or district need. Thus, the total number of full-time tenure track faculty recruitments approved for Academic Year 2017-2018 is eight (8).

As always, the final hiring of these positions are dependent upon adequate funding and Board of Trustees approval. I sincerely thank the Faculty Staffing Committee for considering the needs of the departments and the needs of the organization as a whole.

Look for a follow-up email from Human Resources on opening these recruitments.
